Consecutation.

at the consecutation and the control of the CHICAGO. The Cheeney Trial—The Mestian to Dissolve the Injunctions.

Curcaco, July 37.—At 10 o'clock the morning the Superior Court room was enverant to
hear the arguments on the motion to dissolve
the superior Court room was current to
hear the arguments on the motion to dissolve
the superior court room was considered.

Corning proceedings in the Reclamination
of arran proceedings in the Reclamination
Court convened for rying Rev. C. E. Chenner.

E. Corning Judi and W. Cyffoud appeared
for the Reclamination Court and Messer. Fuller,
Rich and Thompson for Mr. Cheesy. Mr.
Faller, on behalf of the complainant made a
movine for a combinance of the case until a
friture day, and based his motion on the ground
been filed until yestering eventual, and that
the maver was necompassed by an affiliarit
of Bishop Whitshowns, all of Which on seath
short notice that the complainant had not
had time to meet them.

Mr. Fullur read ha own affidavit, setting
from the above facin, and that the allegations
contained in the answer of Rev. Dr. Chase
and other respondents in some respeals were
worked; that if time was given him Pilangum
and the produced by whom it could be provided
that one of the desiredants, who is one of the
converse of respondents filed yesterday. Mr.
Fuller saked fearw of the court to die a supvancement and an accorded ball. The Cheasy Trial—The Motion to Dis-The Mayor elated and an elated with the country of the state of the country of the motion for distinct of the faitheauth, solvered into an exist argument. Taking up the averaged the ball he demand the country of the ball he demand the averaged of the ball he demand the country of the faith of the country of the faith of the country of the After men and readily fabricated in state hampens to be so far from the state hampens to be so far from the intelligence and a lie can gal such a her state before contradiction can overlake it. He testifies that within the past six moints the people themselves, almost unsided by the military or civil authorities, have succeeded in pargir githe State of almost all 'via infrased in pargir githe State of almost all 'via infrased sement of criminality," and to-day there is as much respect for law and order and of property in the same in the sam Mr. Seet wanted to know if any advertising to find the school had been shall been discussed to the school had been shall been discussed to the school had been shall been discussed to the school had been shall been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed to the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed to the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed to the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed the school had been discussed to the school had been discussed to the school had been discussed the school had been discussed the school had been discussed to the school had been discussed the school had been character or measured. As we has possible colors action, "see has be arread, as we has provided to the color of the city must lose everything which delineaness that to pay. "The answerint irride as above shall annually be passed to the city of the city of Coulselline, and the color of the city of Coulselline, and the color of the city of Coulselline, Dougle of Trustees by the Receiving of Tains in results considerable the city must pay it.

Bound of Trustees by the Receiving of Tains in results considerable the city must pay it.

Colors of Coulselline, the city of the consisted their to Cyras W. Field, more than eary other man, living, was owing the success of the Atlantia cable. He had hand that Mr. Freid opposed the Immility of the Freech eable, and he would think it strange of he did the had been successful to the successful to the distribution of the think atlantic cable and it is not presented in the Atlantic cable and it is not presented as the about to feel offered it is for under like circumstances they would do the same thing. He had also heard that no opposition had been made to the landing of the cable, which might also be due to Mr. Freid and the collegemen, but he had no fear that any unituance could induce the American people to not twinting and allow millions of money to be spend in laying a cable without having fair play.

E. Tober, Lord Sackville, Goo, R. Loring, The ierce in the evening, at Mr. Wright's house, was very quies and sactuaivs. that blind justice would unablesth her sword for the humble surals in a sotings as well as for a rectair who expands himself in a church of pashtill proportions. The counsel insisted that a civil court had no authority to interfers with an occinelastacel tribunal, and if it had, that his bill can not enflictuate to warrant the the promotings were all require on their face, that ample justice had been done, that the strictest imparticity hat been shown; and, leaving the narrow ground of technical canoni-cal restriction, asserted in broad forms that, whether the proceedings were in fact canoni-cal or not, the Bishop and in his own passon. It now appears that there are two others who are implicated as accessively subore the tast in this deed of blood. The gist states that these two mest doth are several weaks ago that unless she did as he desired, Carlotte would kill her. They used, besides this, also may, thany other threats calculated to make her change her purpose. It would be itselviable to publish the numes of these mest but the probability is they will be arrested but the probability is they will be arrested. THE COOLSE DILEMMA. ntwell Mourrects a Law Porbid-Higorous Consertation at Trinidad.

Hayana, July 71.—The Governor of the Jurisdiction of Dissided has imseed riporous orders eabligue all finantirela between the again of Highest and dirty to do military duly in the field or reserve corps, while persons unfit for eather servers ento garrison the lowes. The press prihes the measure, and demand that it be made general in its application throughout the Island.

The Veilled States steamer Traparors is craiting of Hayans, and sent in a boat to day for mails. . Bock a remonstration from trust the grade as proposed by near was read. It sused that of said grade would require sed from Bur to vight feet. The Secretary of the Treasury is in receipt of a letter from the Collector of Casioms at New Orleans, covering a communication of William McGreser relative to the importation of cooles into this country, and asking for in-Francis Long to Henry Long, Claryburg, Jose Stor. Hand 12 & M of H. IT shi by head the cal or not, the Bishop had in his own peace, the inherent right of dissipates irrespective of and shove all canons.

The court denied like application for continuance. On the question of thing a supplemental and amended hill, the court said that if after a hearing upon the original bill that if after a hearing upon the original bill that if after a hearing upon the original bill that if after a hearing upon the original bill that if after a hearing upon the original bill and answer, it was arministre to the rights of the window prejudice to the hapterion. Judge an injuncting all the hapterion and the hill gade without notice upon representations made to him that if solice was given to the Ecclemental. Court, couch proceedings might have been had by that body in the way of jurrying their trial in a cancalmain ne would be of irrependent squary to life. Chemer, and the designs and effect of the telementor versici.

Bigner Mr. Judd concluded, the court adjustment until 2 or decole. The seasons from works require the season for the s BISHOP CUMMINS. His Sermon in Trinity Church, Chiof 100 from the highest. Price in Electroquers of 100 from Grading per cubic juris, 30 canal.

on establishment through which thousands of dollars are passing daily? President Grant stands, in regard to this natter, in a most unsurfable attitude. He on in the exercise of his high precognitive of appointing officers to administer the af-airs of the people. He has vilely and analys trified with the solemn obligations madly trified with the solemn obligations of his oath of office, and he needs not expect to escape the penalty of hundlation and shame. If his inflament negro is kept in the Macon postolics, we can feel so surprise, though we may feel such regret, at any form of redress which, a wronged and insulted people may take. Probably the Fresidest, if he intends to practice such outrages in Georgia, had better remand the State to military away, for he will have need of a formidable array of hayonets to keep her in subjection.

Incomplainancy.

A candidate for the Legislature, going to

Wm. Leaky, theriff of Pittsylvania santy (Va.), has been reserved from office, being sable to give the \$40,000 head required.

Incomplainery.

A candidate for the Legislature, point to
ill one of his appellationals, came where
the read forced, and, there being no fingue-board to indicate which may be should board to indicate shick may be should take, he was in a quandary. It was important that he should rases his suppostument, lest his competitor should get an advantage. While he was hesitating as he what to do, a sague buy came along from all He spoke to the buy and inquired the road to mills. The negro directed him to take the "right-hand road and about these fourth of a mile of at take a plain path which turned to the left, and follow that about a mile, which would take him to the mill. The candidates, greatly raileved, thanked the buy and followed his directions, and is due time reached the mill. One of the main questions in the compass between the candidates was the admission of negro testimony in the courts. The candidate whe had thankfully taken and implicitly followed the tastisony of the negro boy as to the road to the mill most whemently denounced the idea of negro testimony. He said that it led to equality, that the sagrey was such a flar he could not be believed. Fightmose, Va., the other night, after not were decided. However the other night, after not were decided.
